

**Hazard Hut
SKU# 4000-YE**

The solution to your indoor storage problem is outdoor containment. The Hazard Hut can store up to four 55-gallon drums and is constructed from rugged, UV resistant polyethylene. The one-piece molded frame is weather proof, while the hinged doors are lockable for added security.

- Molded-in passive venting reduces fumes
- Holds four 55-gallon drums with complete compliance
- Four-way forkliftable
- Removable grates cover the sump for easy cleaning
- Optional ramp for easy loading
