

4' x 8' x 3"H – Spillpal
SKU# 5775-YE

SpillPal is a low profile flexible containment alternative for drip and leak protection. The enclosed foam sidewalls make it easy to load and unload with a hand truck, while the tough industrial fabric can stand up to some of the harshest chemicals. As an added benefit, it can fold up and out of the way when not in use, saving valuable floor space.

- Low-profile, unobtrusive design
- Fits eight 55-gallon drums
- Unique two-way air relief prevents sidewall from blowing out
- Multiple sizes available
- Custom sizes available
- Available with grates to raise containers above the sump
