

Poly-Spillcart ATC
SKU# 5200-YE-A

Transport virtually any liquid and tool around your plant with the Poly-Spillcart. The ergonomic handle and rear caster wheels take your mobility to the next level, all while keeping your company safe and compliant. Integrated tool tray helps create a containment workstation for drums. Drain and removable grate make the unit easy to clean. Holds a variety of containers. This All Terrain Cart model has rugged, solid rubber tires for easier handling on rugged or uneven ground.
